CORN SHOW AT LEXINGTON.

The first annual exhibit of the Kentucky
Bluegrass Corn Show will occur at Lexington,
December 10th, 11th and 13th. The purpose of
the Bluegrass Corn Show, as conceived by its
originators and promoters, is to create and en-
courage an intelligent interest in corn growing
as to cultivation and selection, to the end that
the yield of corn may be increased and greater
success and prominence given to the growing
of this great crop.

Statistics show that the yield per acre of
corn in Kentucky is from five to ten bushels
less than that in the neighboring States of
Ohio, Indiana, Illinois and others, while the
possibilities of our climate and soil are not
correspondingly less.

For all information address the Secretary,
A. H. Gilbert, Kentucky Bluegrass Corn Show,
Lexington, Kentucky.

A Short But Over-True Story

Every one knows that the Weather Clerk treated clothing people very shabby this fall. When we ex-
pected to sell heavy suits and overcoats people were wearing linen dusters.

We have but a few weeks to dispose of heavy weights. Price reduction must be the factor to reduce
the stock. During the next fifteen (15) days we reduce the price ON EVERY SUIT AND OVERCOAT IN OUR
HOUSE 15%. THIS MEANS CASH AND NO DEVIATION FROM PRICE.

The agreement entered into between the City Council and Wilson Hospital—as published in THE LEDGER last month—was ratified and concurred in by Council.

Member Dodson offered the following resolution and same was unanimously adopted—

Resolved, That it is the sense of the Board of Council of the City of Maysville, that it would be deficient in gratitude and appreciation of the character of its presiding officer, Hon. W. E. Stalcup, Mayor, if it did not at this, its last meeting, express its thanks and appreciation of his fair, courteous and always gentlemanly manner of presiding over their deliberations.

The old Council then adjourned.

The new members were sworn in by Police Judge John L. Whitaker, and after taking their seats the legislative mill began to grind in the same old way.

The first matter up was a communication read from Mr. B. P. McClanahan, candidate for Council from the Second Ward at the recent municipal election, contesting the seat of Member A. Clooney, who was given the certificate by the Election Commissioners, and now holds his seat. Notwithstanding the legal time for filing a contest had passed, Mr. Clooney waived his right in the matter and asked that the Mayor appoint an investigating committee to take up the matter and report back their findings at the next meeting of Council. The Mayor appointed the following committee: Members Everett, Derach and Cooper.

Guard Prisoners—James Clark.

All of whom received a unanimous vote.

The following Policemen were elected—P. Ryan, Bruce Crawford, Thomas Senteney and John Girvin.

Mr. Dudley Fizer and Henry Glenn received four votes each.

James A. Carner, non-resident, was refunded \$1.50 poll tax.

A Liberal Offer
Thos. J. Chenoweth Guarantees a Relief for Dyspepsia. If the Remedy Fails It Costs Nothing

To unquestionably prove to the people that indigestion and dyspepsia can be permanently relieved and that Rexall Dyspepsia Tablets will bring about this result, I will furnish the medicine absolutely free if it fails to give satisfaction to any one using it.

The remarkable success of Rexall Dyspepsia Tablets is due to the high degree of scientific skill used in devising their formula as well as to the care exercised in their manufacture, whereby the well known properties of Bismuth-Subnitrate and Pepsin have been combined with Carminatives and other agents.

Bismuth-Subnitrate and Pepsin are constantly employed and recognized by the entire medical profession as invaluable in the treatment of indigestion and dyspepsia.

The Pepsin used in Rexall Dyspepsia Tablets is prepared by a process which develops its greatest efficiency. Pepsin supplies to the digestive apparatus one of the most important elements of the digestive fluid, and without it the digestion and assimilation of food are impossible.

The carminatives possess properties which aid in relieving the disturbances and pain caused by indigestion. This perfect combination of these ingredients makes a remedy invaluable for the complete relief of indigestion and dyspepsia.

I am so certain of this that I urge you to try Rexall Dyspepsia Tablets on my own personal guarantee. These sizes, 25 cents, 50 cents and \$1. Remember you can obtain Rexall Remedies in Mayville only at my store—The Rexall Store Thos. J. Chenoweth.

MONDAY'S

Accidents, Incidents and Otherwise—A Busy Day

There came near being a killing in the Breeze Bros. business place in Market street last evening, and William Sidwell, the instigator of the trouble, is reported to be in a serious condition this morning.

When in his cups Sidwell is said to be a dangerous man, and yesterday it seems his sails were set for troublesome breezes from whatever point of the compass they might blow.

Without provocation, it is said, he attacked Henry Breeze with an ugly looking knife, with a blade four inches long, and had not Charles Breeze come to his rescue would probably have finished him. He then turned on the latter and put him *hors de combat*, and had not Henry quickly recovered and gone to his brother's rescue Sidwell would have undoubtedly killed him—according to accounts given by eye witnesses.

As a result of the fight Henry Breeze has an ugly knife wound in the temple and Charles escaped with a mark of the knife breaking the skin from the top of his head to the eyebrow.

Sidwell was badly punished, being under Dr. A. O. Taylor's care for two hours, sewing up and dressing his wounds, and as stated above his condition is serious.

Sidwell is a clever man when at himself, but under the influence of liquor he becomes quarrelsome and dangerous.

It is said Sheriff James Mackey and Superintendent of County Schools C. D. Wells had a misunderstanding yesterday.

In rounding the corner at Second and Market streets yesterday afternoon, the wheels of Watson's delivery wagon became wedged between the streetcar rails and the brick street in such a manner as to become immovable, and as a consequence the horse pulled himself loose and left the driver and wagon standing in the roadway, while the equine struck out for the stables.

Free Liver Remedy

It is well to stop a physical ailment at the first signs of its approach, and that is especially true of liver trouble, which can eventually give rise to so many serious complications. Many have liver trouble and imagine it is indigestion, and hence take the wrong remedy.

When the liver does not store up sufficient gastric juices it becomes sluggish, and in this way disturbs the stomach and bowels, with which it is supposed to work in harmony. Then comes the sallow complexion, the pimply face, the dull pain in the forehead, the thinning of the blood, etc. A very quick and sensible way to stop the trouble as well as to cure it is by the use of Dr. Caldwell's Syrup Pepsin, which contains ingredients especially intended to promote the activity of the liver.

Among the many thousands who have written the doctor about the results achieved with his remedy, and who are glad to make the facts public so that others can help themselves, are Mr. Jas. Kennedy, St. Louis, Mo.; Mrs. S. A. La Rue of Smith's Grove, Ky., and many others.

These, like thousands of others, started the use of Syrup Pepsin with a sample. If you will send your name and address you can also obtain a free trial bottle. This will prove to you that liver trouble is promptly cured with this remedy or money will be refunded. Having tried it you can then buy it in the regular way of your druggist at fifty cents and one dollar a bottle, and the latter is sufficient for an entire family.

This remedy is a vast improvement over cathartic tablets and salts, which only do good for the time being. Syrup Pepsin is permanent in its results, is pleasant to take and does not grip. It is especially good for all those who cannot stand a violent purgative.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. E. Caldwell, R. 507 Caldwell building, Monticello, Ill.

"Cascarae are certainly fine. I gave a friend one when the doctor was treating him for cancer of the stomach. The next morning he passed four pieces of a tape worm. Silence!

The instinct of modesty natural to every woman is often a great hindrance to the cure of womanly diseases. Women shrink from the personal questions of the local physician which seem indelicate. The thought of examination is abhorrent to them, and so they endure in silence a condition of disease which surely progresses from bad to worse.

It has been Dr. Pierce's privilege to cure a great many women who have found a refuge for modesty in his offer of FREE consultation by letter. All correspondence is held as sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Favorite Prescription restores and regulates the womanly functions, abolishes pain and builds up and puts the finishing touch of health on every weak woman who gives it a fair trial.

HAIR TELLS CHARACTER.

Color of Hair Said to Indicate a Person's Temperament.

Many people believe that blonde, or light hair denotes affection and dark hair constancy. A person without hair is not devoid of character; far from it. The disposition of the average bald-headed man is to show such solicitude for the welfare of others, that he neglects himself. A germ causes baldness. Prof. Sabouraud, of Paris, France, inoculated a rabbit with Blandriff germs, causing it to become totally bald in five weeks' time. To rid the scalp of these dangerous germs it is necessary to apply Newbro's Herpicide.

MAKES RAPID HEADWAY

Add This Fact to Your Store of Knowledge.

Kidney disease advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slightest symptom of kidney disorder. If there is a dull pain in the back, headache, dizzy spells or a tired, worn-out feeling, or if the urine is dark, foul-smelling, irregular and attended with pain, procure a good kidney remedy at once.

Your townspeople recommend Doan's Kidney Pills. Read the statement of this Maysville citizen.

Mrs. Elmer Bridges, 206 West Third street, Maysville, Ky., says:

"I consider Doan's Kidney Pills an excellent kidney remedy and one that deserves a trial by anyone afflicted with disordered kidneys. I was subject to attacks of kidney complaint from childhood, and as I grew older the trouble became more severe. In my efforts to find relief I used remedy after remedy, but obtained no benefit until I began using Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore. They proved to be just what I needed, going directly to the seat of my trouble and entirely relieving me. I always keep a supply of Doan's Kidney Pills on hand in case I have a return of the trouble."
